Copy of a letter No.F/46/VII/Ex.I., dated Simla, the 4th June, 1930, from the Deputy Secretary to the Government of India in the Finance Department, to All Local Governments and Administrations.

Subject:- Exclusion of undesirable candidates from appearing at the Indian Audit and Accounts Service Examination.

I am directed to invite attention to the Government of India, Finance Department Resolution, No.F/46/VI/Ex.I, dated the 5th June 1930, publishing the rules governing the examination of candidates for the above-mentioned Services, and to say that a case has recently occurred in which a local Government omitted to report to the Public Service Commission the antecedents of a candidate for this examination, although these had an important bearing on his fitness for the public service. The facts eventually came to the notice of the Government of India from another source, and it was then too late for them to take effective steps to prevent his appearance for the examination, as they would have done had they known the circumstances earlier.

2. The question whether the past conduct and connections of a candidate are such as to justify his exclusion from appoint ment to the public service is frequently one on which different opinions may be held. The ultimate decision in the case of candidates for these Services rests with the Governor General in Council, and it is clearly important that he should be placed as early as possible in possession of all facts which may have a bearing on a candidate's fitness for appointment, whether the local Government considers that these facts would actually justify his exclusion or not. I am accordingly directed to emphasize the importance of reporting such facts with the least possible delay to the Public Service Commission,

which

which is being asked to refer all doubtful cases to the Government of India for decision; and to ask further that if any facts reflecting on the candidate's fitness for appointment come to the notice of the local Government, etc. subsequent to the candidate's admission to the examination but before the results of the examination are published, no time should be lost in communicating the particulars regarding such a candidate to the Government of India in the Finance Department.

The candidate's height will be measured as follows :—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heel, calves, buttocks and shoulders touching the standard ; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. Medical Examiner's Report.

The following intimation is made for the guidance of the Medical Examiner :— —.

No person will be deemed qualified for admission to the Public Service who shall not satisfy the Public Service Commission that he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for that Service.

The Commission desire that it should be understood that the question of fitness involves the future as well as the present, and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension or payments in case of premature death. It is at the same time to be noted that the question is one of the *likelihood* of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service.

The candidate must make the Statement required below prior to his Medical Examination and must sign the Declaration appended thereto. His attention is specially directed to the warning contained in the Note below :—

1. State your name in full———————————————
2. State your age and birthplace———————————————

I declare all the above answers to be, to the best of my belief, true and correct.

Sir,

I have herewith submitted my application for ~~kka~~ appearing at the ensuing X Indian Audit & Accounts Service Examination. Kindly acknowledge receipt and forward the same to the authorities concerned.

Further in respect of the certificates I have herewith attached a word of explanation is necessary. In respect of certificate No.2, since we are not given any individual certificates in our State (Mysore State), for passing the Secondary School Leaving Certificate Examination, which corresponds to the matriculation examination, but only a register, I have been unable to attach it. But instead I have attached a copy of my University Entrance Examination Certificate. And also, since it does not furnish any particulars about my age, I have attached a copy of the Principal's Certificate from my College, which contains the necessary details.

As regards certificate No.5, the Principal's Certificate, copy attached (vide above), itself states that I have obtained the necessary degree. I have however attached a copy of the Degree certificate granted to me by the University, which I trust is sufficient.

I beg of you to kindly advise me if any other necessary formalities have still to be undergone.

Yours obediently,

To

The Chief Secretary
to The Government of Mysore
Bangalore.

Sir,

I trust my application to appear at the ensuing Indian Audit & Accounts Service Examination, along with the other enclosures (and their duplicates despatched the next day) have all reached your hands by this time.

I surmise that I have to present myself before the Medical Board, perhaps next month at Madras for examination.

Sir, In this connexion I desire to state that, being resident in Bombay as a Research student under the Indian Central Cotton Committee, it is extraordinarily difficult to obtain sufficient leave to make the up and down journey between Bombay and Madras, particularly in view of the long leave I must take for the Examination. This apart, the hardships of the long journey and its attendant expense and worry need not be detailed. This is not all. I shall further be compelled to waste at least a half dozen days so precious to me at the present moment.

Under these circumstances I request you to kindly recommend to the Public Service Commission and thereby arrange

xx Subject:- Medical Examination of Candidates for admission to the Indian Audit and Accounts Service Examination, 1930.

Sir,

I am directed to acknowledge the receipt of your letter No. 676/216-28 dated 28th August 1930 on the above subject and to state as follows. The time and date of the Medical Examination have been intimated to all the candidates, except Srinagabhushana who will be examined in Bombay. Some of them are residing in moffusil places, and they have been intimated about the examination by wire.

On account, however, of the shortness of notice about the examination and in view of the fact that the Imperial Bank will be closed earlier than usual on Saturday and the examination comes off on Monday, it is just possible that some of the candidates may not be able to pay the fee of rupees sixteen into the Bank and hand over the receipt to the Superintendent of the Ophthalmic Hospital at Madras. I am therefore to request you to kindly address the Superintendent, Ophthalmic Hospital, Madras, not to insist on the receipt for the amount in question being produced just before the Medical Examination. The Government of Mysore will be prepared to obtain and send in due course the receipts from such candidates as will not be able to produce the same before the Superintendent of the Ophthalmic Hospital.

I have the honor to be,
Sir,

CHIEF SECRETARY
5 SEP 1930

To

The Chief Secretary to the Govt of Mysore
Bangalore.

Sir,

With reference to your letter dated 29th Aug 1930 informing me of the medical Examination of the Indian Audit and Accounts Service Examination, for which I am a candidate, I have the honor to state that I was unable to attend the medical Examination in Madras on the 1st and the 2nd of this month on account of the following reasons: I had to go to Chitaldroog as I was informed that my mother was Seriously ill; I took two days casual leave of the Intermediate College, Bangalore where I am working as Tutor in Mathematics, and suddenly left Bangalore to Chitaldroog to see my mother's Condition. I returned to Bangalore and reported myself in College on Wednesday the 3rd instant. In the meanwhile the intimation of the medical Examination from your office has reached my address in Bangalore and I now find that the medical Examination has been so suddenly arranged, the intimation reaching my address on the 30th Aug and the Examination fixed on 1st Sept; the intimation has been so sudden and hurried. When I left Bangalore on Saturday Morning (30th Aug) for Chitaldroog to meet my suffering Mother I hardly expected the medical Examination to so suddenly take place. I request you to kindly consider the peculiarity of my circumstance and the suddenness of the intimation from your office and allow me to go to Madras for Medical Examination on any day hereafter. This year is my last chance for the Indian Audit and Accounts Service Examination

and I hope that you will consider my case sympathetically and arrange any other case hereafter and intimate it to me as early as possible.

I have the honor to be
Sir
your obedient Servant

Sir,

I have just now received a memorandum from the Secretary P. W. D. Madras asking me to send them either the original or an extract showing evidence of age, of Sm my Secondary School Leaving Certificate ~~Examination~~ My father Rao Bahadur N. S. Nanjundiah, wrote to me some time back that he has sent the Certificate to you (S.S.L. Register), for obtaining a declaration Certificate under Section 96 A of the Govt of India Act.

I therefore request you to be good enough to kindly send an extract — showing evidence of

any page, from the Register, duly attested by you, to the Secretary P.W.D, Bombay, to reach them on or before the 5th with which is the last date fixed by him. He further adds that, if the certificate does not reach him by the said date, my application for the Indian Railway Transportation Service (Commercial and Traffic Department) — for which the said certificate is necessary will be rejected.

In view of this, I request you to be kind enough to arrange to despatch this immediately to the above address. It might be remembered that the application, for the examination has been sent through you, for which I have received a memorandum from you No. 1584/PP 48-30-46, dated 15/16 Oct. 1930, after having forwarded to the Residency.

I have also wired to my father Rao Bahadur N.S. Narayanaiah, in the matter. And ere this letter reaches you, he might perhaps have also wired you

the matter. I have also written to the Secretary P. W. D. Madras detailing all these circumstances.

Once again request you to kindly arrange to send an extract showing evidence of age duly attested by you, to the Secretary P. W. D. ~~Board~~ Madras, to reach him on or before the 5th inst.

Pray, excuse haste

Yours sincerely
Srinagabhushana
